Section 1.2 – This Agreement is intended to serve the interests of the members of the public who are represented by the Board, in having at all times available to them the College's services on an efficient and economical basis. It is contemplated that this Agreement will serve the public interest by insuring that the administrative staff and the members of the bargaining unit will make every reasonable effort to carry forward the College's legitimate activities and functions, and by defining the Employer's obligations to the UFF-BCC and members of the bargaining unit, thus avoiding disputes due to misunderstandings; as well as by providing a grievance procedure for the resolution of any claims that the Agreement has been violated by the Employer.

Section 1.3 – The Board and the UFF-BCC recognize the College's mission to provide the highest quality of educational services to the community served, and each acknowledges the responsibility and contributions of the other toward this objective. 1. The committee shall consist of at least four (4) faculty members the majority of whom shall be full-time, tenured faculty teaching in the same field or subject areas for which a candidate is being considered. B. The committee shall function as follows:

1. The committee shall select its own chairperson.

2. To request a transfer to a new or vacant full-time faculty position within the faculty member's discipline or from one discipline to another, a qualified full-time tenured faculty member shall submit a request for transfer to both the faculty member's immediate administrative supervisor and the Executive Director of Human Resources by the job close date as printed on the job posting. In the event of a transfer between disciplines, the Provost, or designee, will verify qualifications before proceeding.
3. After the close date for the internal advertisement, Human Resources will forward the request to the appropriate Campus Provost for review and approval.
 - a. The transfer request shall be considered by a screening committee of faculty members. The screening committee shall be at least three (3) members and all members shall be from the campus where the opening exists.
 - b. The screening committee shall make their recommendation to the Campus Provost and administrative supervisor.
 - c. The Campus Provost making the transfer request decision will notify the requesting faculty member of the decision in writing within ten (10) days of the committee recommendation. If the transfer request is denied, a written explanation shall be provided with the notice.

C. If the Administration determines that it is necessary to transfer a member to a new campus or center, the Administration will first request qualified volunteers.

D. For a new or vacant full-time faculty position that is different from the faculty member's current discipline, a tenured faculty member requesting a transfer must meet the minimum qualifications for teaching in the new discipline and the application deadline date for applying as printed on the job posting on the College's Web site announcement.

E. When transferring from one discipline to another where there is no change in campus or center, the Provost with responsibility for the discipline being sought will retain the sole right to approve or reject the transfer request.

F. If a faculty member requests and is granted a transfer under this Section, the faculty member will not be eligible to request a transfer again for three years from the date of the transfer request.

G. Any faculty member selected for transfer must meet the educational requirements for the position.

H. If it is necessary to select a unit member for involuntary transfer, the President will assign transfer points to all unit members in the same discipline who are qualified to fill the open position. The total points accrued will be considered by the President in making its selection, with the unit member having the lowest number of points being the most vulnerable for involuntary transfer. Should the President select a unit member for transfer who has a point total greater than another qualified faculty member who is not being transferred, the President will state the reason for the selection in writing to the faculty member being transferred. A copy will be furnished to the President of the UFF/BCC.

ARTICLE 7: MANAGEMENT RIGHTS AND PREROGATIVES

Section 7.1 – The Employer expressly reserves and retains, to the maximum extent permitted by law, each and every right and prerogative that it has ever had and enjoyed at any time and in the absence of any collective bargaining relationship whatsoever, whether such rights and prerogatives have ever been exercised or not, and as if the collective bargaining relationship did not in fact exist, except to the limited extent that it has herein and by words of unmistakable meaning and clear import, agreed to expressed and explicit limitations upon those rights and privileges.

In order to perform such duties, the schedules of library faculty and counselors may be modified upon the approval of the administration in order to provide adequate service to students and other members of the College community, Each library faculty member's workweek will not exceed five consecutive calendar days, unless waived by the individual library faculty member.

Section 8.3 – Faculty Contract Length

The basic academic-year contract for full-time faculty members will be defined as follows: fifteen (15) weeks of class sessions, plus (1) week of final examinations, plus a maximum of five (5) in-service days, plus one (1) day for attendance and participation in one Commencement ceremony. 2. The determination of such duty days will be made by the supervising administrator in consultation with the individual faculty member and the Campus Provost or his/her designee.

3. The salary for an Extended-Year Contract will be calculated by pro-rating the Basic Academic-Year Contract as follows: the daily-rate of pay will be calculated by dividing the faculty member's annual salary for a Basic Academic-Year Contract by 165; and the resulting daily pay rate will be multiplied by the number of days, thereby yielding the revised salary for the Extended-Year Contract.

C. Upon the approval of the administration, a faculty member may be awarded a Twelve-Month Contract when assigned to temporary duties involving primarily non-instructional responsibilities.

1. A Twelve-Month Contract may be awarded for such activities as regional accreditation or reaffirmation, special task-force projects or assignments, or similar activities that may warrant or require the year-round responsibilities of a full-time faculty member.

2. A Twelve-Month Contract will not be awarded to full-time faculty members for the performance of full-time administrative duties and responsibilities .

3. Typically, a faculty member on a Twelve-Month Contract will work a thirty-five (35) hour workweek inclusive of all College-approved workdays, excluding official state-approved holidays.

4. The salary for a Twelve-Month Contract will be calculated by pro-rating the Basic Academic-Year Contract as follows: the daily-rate of pay will be calculated by dividing the faculty member's annual salary for a Basic Academic-Year Contract by 165; and the resulting daily pay rate will be multiplied by the number of days, thereby yielding the revised salary for the Twelve-Month Contract.

A. Office hours denote regularly-scheduled time periods during which faculty members will be available onsite for one-on-one consultations with students in a non-classroom setting, to provide instructional, program-related, or similar academic assistance to students on an as-needed basis. If the location is to be at any place other than the faculty member's office or in a classroom between classes, the faculty member and the immediate supervising administrator will agree upon the location.

d. If held in the classroom between classes, the faculty member must be assigned to that classroom during the class time immediately before and after the office quarter hour.

copy to the supervising administrator, that the faculty member has cancelled equivalent office hours during that week.

4. Faculty members whose instructional assignments include Health Sciences courses for which clinical experience is required of participating students, will be permitted to schedule a maximum 50% of their required office hours at the clinical site, in addition to their required clinical-instruction hours.

5. All faculty members may schedule a maximum five hours of office time online and/or at a publicly accessible location other than the College. Instructors who teach distance learning courses will be permitted to hold one (1) additional office hour for each three (3) credit course at a publicly accessible location other than the College.

6. In the event that the instructional load is comprised entirely of online courses, the faculty member may account for all in-class and on-campus hours at accessible locations other than College facilities. This does not preclude the faculty member from meeting with the student if either the student or faculty member so desire.

B. Faculty members shall instruct students in conformance with the material listed in the discipline-approved course profiles, and as defined by the course descriptions published in printed and/or online editions of the College catalog.

C. Faculty members will collaborate with the College administration to provide accommodation to students with disabilities when the student, at his/her earliest opportunity, provides the required written notice to the faculty member. Upon receipt of such written notice from the student, the faculty member will immediately forward the notice to the Campus Provost (or his/her designee) for administrative action in order to provide such accommodations in compliance with applicable laws and regulations. Faculty members will not be held responsible for failure to provide such accommodations prior to the receipt of the required written notice from the student.

D. No later than the end of the second week of classes during a given academic term, each faculty member must develop and distribute to students a syllabus which includes the following required information: course title, course prefix/number, number of credit hours, name of instructor telephone number where the instructor may be reached conveniently, schedule and location of office hours, course meeting times, course description, textbook requirements, grading/examination system, attendance policy, instructional methodologies (e.g., lectures, laboratory demonstrations, group presentations, group discussions, quizzes, etc.), instructional format(s) pertaining to the course, (e.g., in-person, online, hybrid), officially established learning objectives for the course, tentative lecture/course schedule, and other reasonable requirements established by the individual instructor.

E. At the conclusion of each academic term, for the sole purposes of professional self-improvement and the continuous improvement of college-wide teaching and learning, each faculty member will be required to review the results of any student-opinion surveys completed

by students who enrolled in each course or section taught by the instructor during the pertinent academic term.

F. It is the responsibility of the Administration to assign faculty members to teach courses in their respective academic disciplines at times and locations and/or in instructional formats which meet the needs of students. Where such assignments involve synchronous instructional formats primarily, these assignments may include both day and evening classes. Evening classes which are assigned to a faculty member will be scheduled within an eight-hour period during the applicable workday, with a minimum period of twelve (12) consecutive hours separating the end of the evening class and the beginning of the faculty member's assignments on the following workday. However, a faculty member may agree to waive these requirements.

G. Instructional faculty members will fulfill all other professional obligations, terms, and conditions which apply to all faculty members as delineated throughout this Article.

Section 8.5 – Library Faculty Responsibilities

The primary responsibility of a library faculty member is to engage in activities directly related to the library. To be in compliance with the requirements of the Southern Association of Colleges and Schools and any other applicable accrediting agencies, each library faculty member must satisfy the minimum certification requirements established by these agencies. The Administration will provide the appropriate support services and personnel to enable each library faculty member to perform his/her responsibilities to the College.

A. Library faculty members shall mutually determine their schedules as may be necessary to meet professional-staffing requirements as determined by the supervising administrator, and within the provisions of Sections 8.2 and 8.3 of this Article. Unless by mutual agreement otherwise, full-time library faculty members will be accorded a minimum of eight (8) consecutive weeks of non-paid release time, during which the library faculty member will not be assigned duties or responsibilities by the supervising administrator..

B. Library faculty members may be assigned to teach all or portions of a course as part of their contractual duties to the College.

1. Courses taught by library faculty members shall be limited to information research, information technology, library skills, or similar academic content relevant to undergraduate-level library services in undergraduate institutions within the State of Florida higher-education system.

2. Courses assigned to library faculty members may be for credit or non-credit, and may include seminars, workshops, or portions of College-sponsored conferences or in-service opportunities assigned by the supervising administrator.

4. Library faculty shall be permitted a maximum of one (1) hour of preparation time for each one (1) hour of class time.

5. Such teaching and preparation must not interfere with the scheduling of any library faculty member's other professional duties as assigned by the supervising administrator.

C. The salary of library faculty members is intended as compensation for all hours worked. However, recognizing that there are unusual circumstances, such as sickness when covered, understaffing, or other times when librarians may be required to work hours beyond the normally-required thirty-five (35) hours per week to perform the employee's job, librarians will be entitled to receive additional compensation as follows:

1. When the library faculty member is required to work in excess of thirty-five (35) hours during the workweek assigned by the supervising administrator.

2. When the librarian's supervising administrator approves of the extra hours worked.

3. When approved, the additional compensation for services exceeding thirty-five (35) hours per week will equal one (1) hour of compensatory time for each hour actually worked in excess of the thirty-five-hour work week.

4. Compensatory time must be utilized by the library faculty member to whom it is allotted; is not transferrable to any other employee; and is not payable upon the termination of the employee's service to the College, nor can it be utilized in conjunction or coordination with the termination of the employee's service to the College.

5. Professional time spent by library faculty members for the teaching of overloads, or in connection to the teaching of such overloads, is neither regarded nor construable as "extra time worked" as delineated in this Section.

D. Library faculty members are required to fulfill other professional obligations, terms, and conditions applicable to all faculty members as delineated throughout this Article.

Section 8.6 – Counselor Faculty Responsibilities

The primary responsibility of a counseling faculty member is to engage in activities directly related to counseling. To be in compliance with the requirements of the Southern Association of Colleges and Schools and other applicable accrediting agencies, each counseling faculty member must satisfy the minimum certification requirements established by those agencies. The Administration shall provide the necessary support services and personnel to enable each counseling faculty member to perform his responsibilities.

A. Counseling faculty members shall mutually determine their schedules as may be necessary to meet staffing requirements as determined by the supervising administrator and within the provisions of Sections 8.2 and 8.3 of this Article. The actual number of workdays of counseling faculty members may or may not coincide with the number of workdays required of full-time

instructional faculty members. Unless by mutual agreement otherwise, full-time counseling faculty members will be accorded a minimum of eight (8) consecutive weeks of non-paid release time, during which the library faculty member will not be assigned duties or responsibilities by the supervising administrator..

B. Counseling faculty members may teach all or part of a course as part of their contractual duties.

1. Courses assigned to counseling faculty members may be for credit or non-credit, and may include seminars, workshops, or portions of College-sponsored conferences or in-service opportunities assigned by the supervising administrator.
2. When teaching a course or portion of a course, either as part of their regular work assignment or as an overload assignment, counseling faculty members must also meet the teaching-related responsibilities of instructional faculty members as provided in Section 8.5, paragraphs B through F above.
3. Counseling faculty members shall be permitted a maximum of one (1) hour of preparation time for each one (1) hour of class time.

5. Such teaching and preparation must not interfere with the scheduling of any counseling faculty member's other professional duties as assigned by the supervising administrator.

C. The salary of counseling faculty members is intended as compensation for all hours worked. However, recognizing that there are unusual circumstances, such as sickness when covered, understaffing, or other times when counseling faculty members may be required to work hours beyond the normally-required thirty-five (35) hours per week to perform the employee's duties and responsibilities, counseling faculty members will be entitled to receive additional compensation as follows:

1. When the counseling faculty member is required to work in excess of thirty-five (35) hours during the workweek assigned by the supervising administrator.
2. When the counseling faculty member's supervising administrator approves of the extra hours worked.
3. When approved, the additional compensation for services exceeding thirty-five (35) hours per week will equal one (1) hour of compensatory time for each hour actually worked in excess of the thirty-five-hour work week.

4. Compensatory time must be utilized by the counseling faculty member to whom it is allotted, and is not transferrable to any other employee; and is not payable upon the termination of the employee's service to the College, nor can it be utilized in conjunction or coordination with the termination of the employee's service to the College.

D. Counseling faculty members shall also fulfill other professional obligations, terms, and conditions for all full-time faculty members as delineated throughout this Article.

Section 8.7 – Additional Professional Obligations

E. Faculty members shall attend all required, scheduled district-wide meetings, campus-wide meetings and those area meetings convened by an immediate supervising administrator pertaining to College matters, unless on approved leave or with authorization from his immediate supervising administrator. The Administration will utilize all reasonable communication efforts to provide the faculty member with sufficient notice prior to scheduled meetings. The Administration recognizes that regularly scheduled class assignments that may interfere with the faculty member's attendance may constitute authorized leave from attending such meetings. On designated in-service days, all full-time faculty members will engage solely in professional activities that are approved in advance by the Administration.

F. All full-time faculty members will participate in College-approved committees, community groups, and professional organizations.

G. All full-time faculty members will periodically establish goals and provide self-assessments to the appropriate Campus Provost (or his/her designee) as part of their annual evaluation process as provided in Article 9.

H. Both the UFF-BCC and the trustees and administration of the College recognize that the quality of student activities is enhanced by faculty participation and support. All full-time faculty members are encouraged to support student activities by attending College-approved student activities, presentations, and events, and also to serve as sponsors for College-approved student clubs, activities and initiatives.

I. Faculty members who are on continuing contract will attend one graduation ceremony per year in regalia unless properly excused. The College will take responsibility for making arrangements to have proper regalia available

Section 8.8 – Other Terms and Conditions

A. The Administration may utilize scheduling variations to meet the needs of students, which may include such variations as one-week courses, five-week courses, seven-week courses, ten-week courses, weekend courses or any similar scheduling variations. The College may schedule classes of varying length during the summer.

B. The Administration may require an instructional faculty member assigned to a program involving affiliates or off-campus sites to work on a Board-approved holiday to meet the schedule established by the affiliate or other off-campus entity. However, the Administration will work with such affiliates and off-campus sites to schedule such assignments on College workdays. The Administration will make every reasonable effort to schedule the faculty member's contractual days within consecutive weeks. C. Faculty with a multi-campus assignment as part of their regular duties will be reimbursed for travel from one campus to another if necessary within the same work day. Faculty required to travel for other purposes will be reimbursed as provided in College Procedures.

D. Unit members will certify time worked during each evaluation period. This certification will be accomplished using the appropriate performance evaluation form found in the appendix. It is understood that all College employees, as a general rule, are to be required to provide assurances, on a regular basis, of fulfillment of employment responsibilities.

Section 8.9 – Instructional Faculty-Load Point System

A. To facilitate calculation of various combinations of credit hours and contact hours in various classroom, laboratory, clinical, workshop, studio, and other settings, and courses taught as overload by library and counseling faculty, courses will be assigned point values. The source for course credit hour and contact hour equivalents is 6A-10.033 FAC (Postsecondary Credit Definitions). One (1) college credit is based on the learning expected from the equivalent of fifteen (15) fifty-minute periods of classroom instruction; with credits for such things as laboratory instruction, internships, and clinical experience based on the proportion of direct instruction to the laboratory exercise, internship hours, or clinical practice hours.

B. Definitions: All courses offered at the College will be designated as one of the following:

1. **Lecture:** A lecture course is one in which the number of class hours (50-minutes each) per week equals the semester hours credit for the course. A lecture class is one in which the student is a passive listener and/or a participant in activities/discussions conducted among other students and the instructor. The instructor actively controls the amount and quality of information which is directed to a specific objective. A lecture class is typified by the amount of preparation preceding the lecture and by the amount of in-class and post-evaluation of the student's out-of-class work, which usually includes reading assignments, term papers and other assignments. A lecture course shall meet for fifteen (15) fifty (50) minute sessions per credit hour.

2. **Laboratory:** A laboratory course is one in which the contact hours per week do not equal the semester hours credit for the course. A laboratory experience involves preparation on the part of the instructor and/or laboratory assistant which organizes laboratory accouterments in such a way that demonstrations, experiments, etc., have predictable outcomes. The laboratory experience takes place in a controlled environment with dependence on the student's motor involvement in the learning experience. Instruction generally takes place on a one-to-one basis between the student and the instructor at the laboratory station. Laboratory experiences may be scheduled for a class or be open to a student to work at his own pace under supervision. The ratio of credit hours to contact hours in a laboratory course varies but is usually more than one (1) contact hour per credit hour. Commonly denoted with an "L" designator.

3. **Clinical:** A clinical course may have lecture hours and/or clinical hours, and each will be credited with points respectively. . The ratio of credit hours to contact hours in a clinical course varies but is usually several contact hours per credit hour. A clinical experience has unique characteristics which include:

- a. The learning experience takes place in a "real life" environment that is generally located in an area not under the direct control of the College or its agents;
- b. There is an element of uncertainty in the learning situation, with discrete events are not pre-programmed;
- c. There are different procedures for the instructor/staff preparation and for student evaluation in a clinical experience than in lectures and/or laboratory classes;
- d. A faculty member in a clinical situation has on-site instructional/supervisory responsibilities for the student and evaluates the student by personal observation.

4. **Distance Learning:** Distance learning is defined as a formal educational process in which the majority of the instruction (interaction between students and instructors and among students) in a course occurs when students and instructors are not in the same place. Instruction may be synchronous and/or asynchronous.

a. A distance learning course may employ correspondence study, or audio, video or computer technologies.

b. Distance learning includes those courses that are prepared by faculty and non-faculty members.

c. The instructor actively controls the amount and quantity of information which is directed to a specific objective. A Distance Learning class is typified by the consistent interaction between the instructor and the student.

d. A Distance Learning class is typified by the amount of preparation preceding the electronic communication and by the amount of the student's on-line assignments and post-evaluation of student's work, which may include reading assignments, term papers, etcetera. This does not include the use of computers, e-mails or other electronic media as part of the instructional methodology for lecture, laboratory or clinical courses.

e. Online Sections may be considered as part of the faculty member's regular load.

f. A section will have a minimum of 15 enrolled (unless otherwise approved for a lesser number by the Campus Provost).

g. A section will have a maximum of 30 enrolled.

5. Faculty of Record: In some clinical, practicum or cooperative education/work experience courses, the student's primary learning experience may be through work-related training. In such courses, the student's work activities are directed by a clinical/work supervisor. In such courses, a full-time faculty member develops performance-based modules and assigns grades based on the evaluation supplied by the clinical/worksite supervisors. A full-time faculty member supervises the students through coordination with the clinical or work supervisor and through scheduled visits to the clinic or work sites. If a course combines a clinical worksite and faculty-of-record responsibilities, the portion of the course devoted to clinical/worksite responsibilities will receive clinical/worksite points, and the remaining portion will receive faculty-of-record points.

6. Applied Music Course: A student-performance-based music course in which there is only one-to-one interaction between the instructor and the student for the duration of at least one-half contact hour per week.

7. Ensemble Music Course: A student-performance-based music course in which multiple students are instructed within a classroom or rehearsal environment..

8. **Workshop Course:** A workshop course involves performance or practice taking place in a workshop, theatre, or studio environment.

9. **Independent Study Course -** An independent study course is one that has a college course prefix and number, utilizes a delivery method designed for one-on-one instruction, is a BCC established course, and complies with that course’s approved description and objectives.

10. **PSAV:** Career credit is the type of credit assigned to courses or course equivalent learning that is part of an organized and specified program leading to a career certificate. It applies to postsecondary adult career courses. One (1) career credit is based on the learning expected from the equivalent of thirty (30) hours of instruction.

11. **Combination:** A course which combines lecture with either laboratory or clinical activities section. Commonly denoted with a “C” designator.

C. Value by Major Function

1. **Lecture:** One (1) lecture credit hour equals ten (10) points.

2. **Laboratory:** One (1) laboratory contact hour per week equals ten (10) points.

3. **Clinical:** One (1) clinical contact hour per week equals ten (10) points.

4. **Distance Learning:** One (1) distance learning instructional credit hour equals ten (10) points.

5. **Faculty of Record:** One (1) faculty-of-record course credit hour equals eight (8) points. However, the maximum number of points awarded for a faculty-of-record course will not exceed forty (40) points.

| Faculty-of-Record (Courses with Clinical or Work Supervisors) | | | |
|--|---|-----------------------------------|--------------------------------------|
| Course Credit | Maximum Number of Contact Hour Per Week | Number of Points Per Contact Hour | Maximum Total Points Paid to Faculty |
| 1 | 1 | 8 | 8 |
| 2 | 2 | 8 | 16 |
| 3 | 3 | 8 | 24 |
| 4 | 4 | 8 | 32 |
| 5 | 5 | 8 | 40 |

6. **Applied Music:** An applied music instruction course taught by a full-time faculty member will be compensated at the rate of 5 load-points for each half hour of applied music instruction, not to exceed 40 points per term.

7. Ensemble Music Course: A course taught by a full-time faculty member will be compensated at the rate of ten (10) semester load points per 50-minutes of weekly instruction time.
8. Workshop Course: One (1) workshop contact hour per week equals eight (8) points.
9. Independent Study Course: For independent study assignments, a faculty member shall receive the equivalent of two overload-points per student, up to a maximum of 15 students, after which the 30 point maximum will be applicable without regard to the number of students.
10. PSAV: One (1) lecture or laboratory contact hour per week equals ten (10) points.
11. Combination: If a course combines a lecture and laboratory section or a course combines a lecture and clinical section, the portion devoted to lecture will receive the lecture points, and the remaining portion will receive the laboratory points or clinical points.

Section 8.10 – Meeting Load-Point Obligations

A. An instructional faculty member on a Basic Academic-Year Contract (165-days) will fulfill his/her contractual obligation by earning 300 load-points or its equivalent within the academic year. While the expectation is that a faculty member will teach 150 load-points in each of the Fall and Spring Terms to meet his/her obligation, the Administration shall consider a faculty member who has at least 144 load-points and not more than 154 load-points to have fulfilled his/her contractual obligation for the respective term. The supervising administrator, by mutual agreement with the faculty member, may elect to average the load-points over the two semesters allowing less than 150 points in one term provided that the total for the two semesters is 300. Extra compensation for all overloads is also subject to the overload compensation requirements of Section 8.11 below.

B. Except as specified in Section 8.10, A above, an instructional faculty member on an Extended Year Contract must earn 150 load-points or its equivalent in each of the Fall and Spring Terms and a minimum of ten (10) points per week in the summer.

C. A full-time instructional faculty member who is offered and accepts a Twelve-Month Contract will perform the tasks assigned and will be compensated as set forth in Section 8.3, C.

Section 8.11 – Faculty Overloads

Any bargaining unit member who desires an overload teaching assignment may submit a written request to the appropriate supervising administrator as applicable, with an informational copy to the Department Chair or Program Manager as appropriate, prior to the first instructional day of the term. If the need arises, the Administration may request overload hours to meet the needs of the College. Such requests by unit members will be fulfilled prior to making instructional assignments to adjunct faculty as provided below.

A. The Basic Academic-Year Contract requires the faculty member to teach 150 load-points in each of the Fall and Spring Terms. If a faculty member chooses to teach overloads as provided by the Contract, the faculty member will be compensated for overloads as provided in Article 14.

B. A faculty member on a Basic Academic-Year Contract who teaches 150 load-points in the Fall Term and 150 load-points in the Spring Term may request an overload in each of the respective terms.

1. If overloads are available within the discipline, a faculty member rated “Satisfactory” or better on his/her evaluation will be granted an overload of up to sixty (60) load-points by the supervising administrator.

2. Faculty members rated “Acceptable but needs some improvement” may be permitted to teach an overload; the decision as to whether they are eligible to teach an overload and, if eligible, the number of overload-points that can be taught are within the discretion of the supervising administrator. If such an overload is granted, the overload shall not exceed sixty (60) overload-points.

C. Overload assignments within a discipline shall be distributed equitably by the supervising administrator among faculty with a “Satisfactory” or better evaluation who request an overload. Faculty members with a “Satisfactory” or better rating will receive preference over those with an “Acceptable but needs some improvement” rating who are approved for an overload by his/her immediate supervisor. Any additional overload in excess of those set forth above will be at the discretion of the faculty member’s supervising administrator.

1. A full-time faculty member rated satisfactory shall have priority for sixty (60) load-points over all part-time faculty members on all campuses for an overload assignment during the Fall and Spring Terms and 120 overload-points/adjunct during the Summer session, which will be compensated at the overload rate.

2. A full-time instructional faculty member rated satisfactory shall have priority to teach an overload in his own regularly assigned area(s) of instruction and/or discipline over a full-time faculty member outside that area, which will be compensated at the overload rate.

3. Additionally, a tenured full-time faculty member rated satisfactory shall have priority for sixty (60) load-points over all non-tenured, full-time faculty on all campuses for an overload assignment during the Fall and Spring Terms and 60 overload-points/adjunct during the Summer session, which will be compensated at the overload rate.

4. All overloads and adjunct assignments taught will be covered by sick leave as specified in Article 12.1, *Sick Leave*, of this Agreement.

5. Extended-Year contractual faculty members who are (1) rated “Satisfactory” and (2) those rated “Acceptable but needs some improvement” who are permitted by supervising

administrators to teach overloads, will be compensated for all such overloads in the term in which they are taught at the overload rate.

D. For instructional overloads, a librarian and a counselor will be subject to the same provisions for an overload assignment as instructional faculty member, including a “Satisfactory” rating by his/her supervising administrator. The Board shall compensate the library and counseling faculty members for instructional overloads pursuant to Article 14 of this Agreement. Library and counseling faculty members will receive contracts for all teaching overload duties. If compensated for an overload, the individual remains responsible for those librarian/counselor duties as assigned by the supervising administrator.

Section 8.12 – Adjunct Instructional Assignments for Full-Time Faculty Members

A full-time faculty member who is completing or has completed his Basic Academic-Year contractual obligations prior to or during the Summer Term may also request to teach an adjunct teaching assignment within his/her discipline during the summer. To be eligible, the faculty member must be rated as set forth in Section 8.11, B, above. If the sections are available, a faculty member so rated, requesting an adjunct teaching assignment will be assigned up to 120 load-points at the established overload rate during the summer after all full-time faculty within the discipline have met their minimum contractual. If assigned, the following criteria shall apply to adjunct instructional duties:

A. A full-time instructional faculty member rated “Satisfactory” or better will have priority for adjunct instructional duties of up to 120 load-points over part-time faculty at all campuses

B. Faculty members rated “Acceptable but needs some improvement” may be permitted to teach overloads in the summer. The decisions as to whether they are eligible to teach an overload in the summer and, if eligible, the number of overload-points that can be taught are within the discretion of the immediate Supervising administrator. If such an overload is granted, it will not exceed 60 overload-points.

C. A faculty member may use accrued sick leave for an adjunct course(s). However, an adjunct assignment will not generate sick leave, except as provided for full-time faculty in Article 12.13.

D. A faculty member who takes an approved leave without pay during an adjunct teaching assignment will have his adjunct salary reduced by that proportion of the instructional time missed. Such approved leave may be granted only if the faculty member has used all of his accrued sick/personal leave.

E. A librarian or counselor will be subject to the same provisions for teaching adjunct load-points as an instructional faculty member.

F. Compensation for adjunct load-points shall be at the established overload rate in accordance with Article 14 of this Agreement.

G. A full-time faculty member teaching adjunct assignments will be available by appointment for student consultations one (1) hour per week for each 30 overload-points or major portion thereof.

Section 8.13 – Supplemental Activity Agreement or Release Time for Non-Instructional Duties

A faculty member may agree to be assigned additional non-instructional responsibilities which may include work performed under a supplemental activity agreement. The College will compensate the faculty member for the assignment in accordance with the agreed upon rate as specified in Article 14 or allow for adequate release time.

Section 8.14 – Faculty Members Accepting an Administrative Position

A. A tenured faculty member who accepts an administrative position serves in that position at the will of the College President. Nothing in this Section of this Contract grants any faculty member any rights to, or to continue in, any administrative position. If the faculty member has return rights to the faculty under this Section, the faculty member may be returned or may elect to return to faculty status as hereinafter set forth.

B. Reentry of tenured faculty currently in an Administrative Position:

1. Any tenured faculty member who is offered and accepts an administrative position will be placed on Administrative Leave, removed from the faculty salary line and placed on an administrative salary line. The tenured faculty member will retain the right to return to a faculty position under this paragraph until June 30 following three (3) full years on an administrative assignment. If the tenured faculty member who is on an administrative assignment does not elect to return to faculty status by giving written notice to the President of the College (or his/her designee) on or before February 15 immediately preceding the June 30 date set forth above, the faculty member will be determined to have voluntarily resigned as a faculty member and will therefore lose his/her tenure (continuing contract) status.

2. Nothing contained in this Agreement grants a right to any future administrative assignment to any tenured faculty member who chooses to remain in administration by resigning his/her faculty position as set forth in this paragraph. The decision as to whether a tenured faculty member voluntarily returns to the faculty status within the period provided under this paragraph and thereby retains his/her continuing contract status is at the sole discretion of the faculty member.

3. Compensation for any tenured faculty member who returns from Administrative Leave under Paragraph 2.a. above will be paid at the rate on the Board-approved salary schedule which the employee would be receiving had the employee not been placed on Administrative Leave.

C. Re-entry of non-tenured faculty who accept an administrative position.

1. Any non-tenured faculty member who is offered and accepts a full-time administrative position at the College will be placed on Administrative Leave, removed from the faculty salary line, and placed on an administrative salary line. The tenure process shall be suspended for the duration of the Administrative Leave. The non-tenured faculty member may seek to re-enter the faculty under the conditions set forth below until June 30

following three (3) full years in an administrative position. The non-tenured faculty member must give written notice to the President of the College (or his/her designee) on or before February 15 immediately preceding the July 1 re-entry date of the desire to return to full-time faculty status. If the non-tenured faculty member fails to give the written notice of desire to re-enter the faculty on or before the February 15 deadline, the faculty member will be removed from eligibility for tenure under Article 6.

2. Nothing contained in this Agreement grants any non-tenured faculty member a right to a future administrative assignment if the non-tenured faculty member does not return to faculty status under this paragraph, nor the guarantee of the offer of an annual contract or a continuing contract if the faculty member seeks to return to faculty status under this Section. The decision as to whether to seek to reenter faculty within the period provided under this paragraph is within the sole discretion of the faculty member, except as otherwise limited by this Article.

3. Compensation for non-tenured faculty members re-entering the faculty under this Section will be at the rate on the Board-approved salary schedule which the employee would be receiving had the employee not been placed on Administrative Leave.

4. For a non-tenured faculty member currently in a full-time administrative position to return to faculty status, or for a non-tenured faculty member who accepts an administrative position but seeks to return to faculty status, the following conditions must be met:

a. A new or vacant tenure track faculty position exists about which faculty have been properly notified as per Article 6.14; and

b. No faculty member in the discipline will be subject to RIF or is awaiting recall as per Article 10.

5. If there is no open new or vacant full-time faculty position for which the employee is qualified, then the employee may be awarded a one-year temporary full-time faculty position, providing that the following conditions are met:

a. All credential requirements will be satisfied;

b. The transfer will not cause a RIF of any faculty member, nor will any faculty member be involuntarily reassigned to another discipline;

c. By the end of the temporary full-time appointment, the employee must apply for an open, advertised faculty position, as per Article 6.13 or 6.14. In addition, the individual will be evaluated by the Department Chairperson. If the employee is recommended by the screening committee and accepts the position, a regular Basic Academic-Year faculty contract will be offered. The compensation granted will be in accordance with the salaries specified in Article 14.

D. Non-Faculty Re-assignments

1. An employee who has never been a faculty member may be given a one-year temporary full-time faculty position with required advertising, screening, and hiring procedures waived, providing the following conditions are met:

a. A new or vacant tenure track faculty position exists about which faculty have been properly notified as per Article 6.14; and

b. No faculty member in the discipline would be laid off or is awaiting recall as per Article 10.

2. If there is no open new or vacant full-time faculty position for which the employee is qualified, then the employee may be given a one-year temporary full-time faculty position, with required advertising, screening, and hiring procedures waived, providing the following conditions are met:

a. All credential requirements of the state and/or the regional accrediting agency will be satisfied;

b. The transfer will not cause a RIF of any faculty member, nor will any faculty member be involuntarily reassigned to another discipline;

c. By the end of the temporary full-time appointment, the employee must apply for an open, advertised faculty position, as per Article 6.13 or 6.14. In addition, the individual will be evaluated by the Department Chairperson. If the employee is recommended by the screening committee and accepts the position, a regular Basic Academic-Year faculty contract will be offered. The compensation granted will be in accordance with the entry salaries specified in Article 14.

E. Nothing in this Section will limit the right of the to assign administrative responsibilities to a full-time faculty member, nor will preclude the President (or his/her designee) from placing a full-time faculty member on a Extended-Year Contract or Twelve-Month Contract, and/or approving release time to the faculty member if applicable. For the duration of any such assignment by the President (or his/her designee), the full-time faculty member will retain faculty status and remain in the bargaining unit.

Section 8.15 – Department Chairpersons

A. Department Chairpersons serve as a liaison between the faculty and the administration, but neither have nor may exercise any supervisory responsibilities involving other College employees. Department Chairpersons are required to submit to the administration performance reviews of adjunct (part-time) faculty solely, but neither have nor may exercise any responsibilities for reviewing the performance of full-time faculty members. Other customary responsibilities of Department Chairpersons include (but are not necessarily limited to) participating in the development and maintenance of articulation agreements, drafting memoranda of understanding with outside agencies and professional organizations and coordinates class scheduling. They also assist full-time faculty with textbook adoptions,

equipment, class scheduling, and supply and facilities maintenance issues. They also assist the Provost with appointment and training of adjunct faculty. They will be required to work an additional five (5) days beyond the number required by their base contract.

B. Department Chairpersons will be selected for two-year terms. In March of the second year, all scheduled positions will be opened and posted internally by the appropriate Campus Provost (or his/her designee) utilizing College communication media. The Campus Provost (or his/her designee) will accept applications for the position from all interested full-time faculty members. Department Chairpersons should be tenured and have five years college-level teaching experience as of the application date for the position. Selection will be made by the Campus Provost (or his/her designee) no later than April 15. The parties agree that a Department Chairperson may be reappointed, and if a position opens, the notification and application process will be followed by the Campus Provost (or his/her designee).

C. The parties agree that a Campus Provost (or his/her designee) may choose to issue a temporary appointment, if necessary, pending the completion of the application/selection process.

D. Campus Provosts and Department Chairs will conform to the recommended Department Chair Responsibility List (see Appendix G).

E. Department Chairs will be scheduled for and maintain a 35-hour work week, and will be required to work a minimum of five (5) additional days beyond the number required by their base contract at their daily pay rate .

F. The parties recognize that the effectiveness of the department-chairperson structure requires systematic input from all faculty serving under the Chairperson. To assess this effectiveness, the Campus Provost (or his/her designee) will conduct an annual review of each Department Chairperson pursuant to Article 9.3 by requiring all full-time and part-time (adjunct) faculty in each Department to complete and return the assessment instrument which appears in the appendix. The purpose of the review is to assess the performance of the Department Chair and to suggest strategies for the continuous improvement of the Department.

Section 8.16 – Program Managers

A. Program Managers serve as a liaison between the faculty and the administration in Health Science and certain other programs, and but neither have nor may exercise any supervisory responsibilities over other employees. At the direction of the appropriate Campus Provost (or his/her designee), Program Managers may participate in performance reviews of part-time (but not full-time) faculty members, and may assist with the development of articulation agreements, memoranda of understanding between the College and outside agencies and professional organizations, and may provide assistance to the Campus Provost (or his/her designee) for the administrative coordination of class schedules, and the appointment and training of part-time (adjunct) faculty. Program Managers y will be required to work a minimum of an additional five (5) days beyond the number required by their base contract, at their daily pay rate.

Section 8.17 – Program Coordinators

Program Coordinators serve as a liaison between the full-time faculty and the administration. Program Coordinators have no supervisory responsibilities for other employees, programs or services. The Program Coordinator convenes faculty meetings (including adjunct faculty members) within the discipline to discuss both college-wide and academic discipline-related issues. The Program Coordinator will perform curricular reviews, assist faculty with the implementation of any changes in the academic-discipline curriculum, as well as changes in course-writing and instructional-delivery formats (including online and hybrid formats). Other responsibilities of Program Coordinators may include providing assistance to the Campus Provost (or his/her designee) for reviews of course content and adherence to the standards and criteria established by regional and/or professional accrediting agencies, and assisting with the facilitation of onsite visitations and inspections of academic programs and facilities by such agencies.

Section 8.18 – Curriculum Coordinators

Curriculum Coordinators serve as a liaison between the full-time faculty and the administration. Curriculum Coordinators have no supervisory responsibilities for other employees, programs or services. The Curriculum Coordinator convenes faculty meetings within the discipline to discuss both college-wide and discipline related items. These meetings include adjuncts. The Curriculum Coordinator will perform curriculum reviews, assist faculty with any changes in the discipline curriculum, and assists with course-writing and instructional-delivery formats (including online and hybrid formats).

Section 8.19 – Substitute Teaching

A. Upon the approval of the Campus Provost (or his/her designee), each instructional faculty member may arrange for a substitute instructor from within the College faculty to be available on a temporarily basis in the event the faculty member is absent for any reason.

B. At the beginning of each term, each unit member who is assigned a teaching load will accomplish the necessary coordination with his or her colleagues, and will submit a list to the Campus Provost (or his/her designee) with an information-only copy to the Department Chairperson showing a substitute instructor for each assigned section. It will be the responsibility of the unit member to notify the approved substitute instructor(s) and the Campus Provost (or his/her designee) regarding any absences, whether planned or unplanned, unless circumstances beyond the control of the unit member prevent him/her from providing such notice. In cases of unplanned absences on the part of a unit member, the Campus Provost (or his/her designee) may assist in the notification of substitute instructor(s).

C. Unit members who are asked to serve as substitutes in classes for which they are qualified will agree to provide such service provided that no conflict in class schedules occurs as a consequence of the substitution. The parties recognize that in some infrequent instances, if the approved by the Campus Provost (or his/her designee), special class work may be assigned to students during an instructor's absence, and that in such instances the services of a substitute instructor may not be required.

D. When an exchange of time is not practicable between qualified substitutes, the College will compensate the substitute faculty member for the temporary assignment in accordance with the agreed upon rate as specified in Article 14. If the faculty member teaches as a substitute in excess of two (2) consecutive weeks during the term, the administration will compensate the faculty member at the established instructional overload rate, as provided in Article 14.6. Time spent in serving as a paid substitute cannot be credited towards the 35 hour faculty work-week obligation of all full-time faculty members.

Section 8.20 – Working Conditions and Environment

A. Recognizing the importance of a safe and healthful work place, the Board agrees to make reasonable efforts to insure that such conditions conform to applicable statutes.

B. The Board and BCC's administration will support and assist faculty members in dealing with inappropriate student behavior, including assaults, batteries, or threats of bodily harm, but within the parameters of applicable laws and regulations. A faculty member shall immediately report to College Security, and to the campus administration when feasible, any work-related incident that involves an assault upon his/her person, and/or the threat of bodily harm, while in the performance of College-assigned duties. Any faculty member who sustains an injury as a result of such incidents will not be required to utilize accumulated sick leave for absence from his/her College-assigned duties. This provision does not imply, however, that the Board nor the administration of the College will provide legal counsel or otherwise defray or reimburse faculty members for expenses incurred in such instances.

C. Disruptive Behavior: A faculty member may temporarily dismiss a student from class for disruptive behavior. A faculty member may request to the Campus Provost (or his/her designee) that a student who consistently and willfully acts in such a manner as to disrupt the course and interfere with the teaching and learning processes will be removed from a course. At the faculty member's request, his/her supervising administrator will schedule a meeting with the instructor and the student to attempt to reach an accord satisfactory to both parties prior to the student's return to the class. If the student and the faculty member cannot reach such an accord, the Campus Provost (or his/her designee) will officially notify the student of his rights as provided in the pertinent procedures and rules published by the College. If, in the opinion of the College administration, the student's behavior violates F.S. 877.13, the student may be withdrawn, or, at the discretion of the administration, may be transferred to another section taught by a different faculty member.

Section 8.21 – Duplication Facilities

The Administration shall provide regular access to duplication equipment and materials for work-related purposes associated with the faculty member's contractual duties. Duplication facilities and materials shall be available at each campus at no cost to faculty member members. The Administration shall permit the faculty member to oversee the duplication of his/her examinations.

Section 8.22 – Grading System

Every faculty member will develop and provide notification to his/her students, through the required syllabus for each course, of the grading system which the faculty member intends to utilize to assess student performance in the course. Such grading systems must be consistent with the existing grading systems established by the College. During the first meeting of each course or section, the faculty member assigned to teach the course is required to explain his/her grading system to the students enrolled in the course or section. By the conclusion of the second week of class, the faculty member is required to distribute a copy of the grading system to his/her students. Any modifications to this grading system which the faculty member deems warranted must be distributed to the students in writing. A student's grade shall not be altered or changed without the approval of the faculty member who assigned the grade. If a faculty member is no longer an employee, the Administration shall be responsible for justifying any change in grades awarded by this faculty member.

Section 8.23 – Class Observations

The administration will collaborate with faculty members to arrange times and dates for classroom observations so as to minimize any disruptions to the teaching and learning processes. A faculty member's class cannot be observed by persons other than the appropriate College administrator(s), unless prior notice has been given to the faculty member and has been approved by the Campus Provost (or his/her designee). This provision will not apply to class observations in courses or programs which are funded by a non-College source, which may include grants or other monetary awards which require such class observations.

ARTICLE 9: FACULTY EVALUATION

Section 9.1 – Intent

The parties recognize the importance and value of the evaluation process for assisting the progress and success of both newly-employed and experienced faculty. The evaluation of faculty shall be the responsibility of the Administration.

A. The purpose of faculty evaluation is to promote the highest quality student instruction and faculty job performance by assuring opportunities for evaluation, self-assessment, and encouragement of continued professional growth and development. Evaluations shall not be used as a disciplinary tool.

B. The Administration shall not assign the evaluation of faculty members to Program Managers and/or department chairs who are members of the same bargaining unit.

C. If an annual administrative review is not rendered on any unit member, the unit member may, prior to March 1 of each academic year, request such a review and the Administration will comply. The review will be for the academic year and the forms and procedures followed will be those here and in the Appendix.

Section 9.2 – Faculty evaluations consist of the following:

- Evaluation Performance Review (to be conducted by administrative supervisor)
 - Formal observation
 - Pre-Evaluation Conference (optional for tenured faculty)
 - Written evaluation to include documentation on the formal observation and the extent to which primary and professional responsibilities are met and the Faculty Development, Self-Assessment, and Goals Setting Report
 - Post-Evaluation Conference
 - Faculty response (optional)
- Student Opinion Surveys

A. Evaluation Performance Review (to be conducted by the supervising administrator): The Faculty Evaluation Process is used for evaluation of instructional faculty, librarians, and counselors. Components include a self-appraisal, observation by the supervising administrator or designee per Article 9.1,B above, setting of future goals, strengths, weaknesses, overall rating, and summary of progress toward previous goals. All evaluations of instructional faculty shall also include student opinion surveys and shall be reviewed by the Campus Provost. Faculty evaluations shall be completed once every three years. However, an evaluation of a faculty member may be completed more often at the request of the faculty member, or following a less-than-satisfactory evaluation.

During the first semester and periodically thereafter, faculty performance is reviewed by faculty supervisors following the administrative and instructional processes as enumerated on the Faculty Evaluation of Instruction Performance Review (See Appendix).

The actual evaluation will consist of the following steps:

1. Formal Observations: The supervising administrator, or designee per Article 9.1,B above, for each full-time faculty member in the department may conduct one or more classroom visitations each year. The supervising administrator for each library and counselor faculty may conduct one or more visitations in the faculty member's workplace each year. The observation should be at least one contact hour in duration. No formal observation of a faculty member shall be conducted covertly or without prior notice. Faculty teaching distance learning courses will provide the supervising administrator with "student level" access to their course(s) upon request for evaluation purposes.

2. Evaluation Objectives: Prior to the first evaluation in an academic year, non-tenured faculty members shall be apprised of the objectives, methods and materials being used in the formal observation and evaluation of the faculty member's performance.

3. Written Evaluation: The faculty member's supervising administrator or Provost shall formally evaluate the faculty member's performance using the Faculty Evaluation Performance Review form.

a. For all non-tenured faculty members, the first evaluation of a faculty member shall occur within the first two-thirds of each term of an academic year.

b. Each non-tenured faculty member may be evaluated twice a year in each of the semesters taught on contract. The completed written evaluation must be returned to the non-tenured faculty within five (5) weeks of the observation.

c. Supervising administrators and the faculty member will determine, by mutual agreement, the annual goals of non-tenured faculty.

d. For tenured faculty, a formal evaluation will take place at least once every three (3) years during a major term or during the Summer Term if on full-time status. The completed written evaluation will be returned to the faculty member within five (5) weeks of the observation.

e. The faculty member's performance will be considered "Satisfactory" for that evaluation period if the supervising administrator elects not to evaluate a faculty member as required by this contract.

f. The overall evaluation process shall result in an evaluation as either "Unsatisfactory", "Acceptable but needs improvement", "Satisfactory", or "Outstanding".

4. Post-Evaluation Conference: The faculty member's supervising administrator will provide the faculty member with a copy of the completed Faculty Evaluation Performance Review form and shall meet with the faculty member at a post-evaluation conference. The conference will include a discussion about goals and self-assessment, which will be added to the Faculty Development, Self-Assessment, and Goal Setting Report (included in the evaluation form). The Faculty Evaluation Performance Review form and any addenda shall be signed by both the faculty member and his/her supervising administrator. The faculty member's signature shall not necessarily mean agreement with the evaluation, but awareness of the content of the Faculty Evaluation Performance Review form.

A faculty member shall have the right to have a Union representative present at the post-evaluation conference or when the faculty member is being placed on formal notice of deficiencies in his professional performance.

5. Faculty Response: A faculty member who considers the Faculty Evaluation Performance Review form to be incomplete, inaccurate, unjust, or based on factual errors shall have the right to respond as appropriate.

a. Written Response: The faculty member may attach a written response to the Faculty Evaluation Performance Review form within eight (8) working days of the Post-Evaluation Conference. The faculty member's supervising administrator shall sign the faculty member's written response to his Faculty Evaluation Performance Review form, which shall indicate awareness of the contents of the faculty member's written response. The Administration shall take no action

against a faculty member for including a written response to the evaluation, or filing a grievance or complaint of a contract violation in the evaluation process.

b. Appeal of an Evaluation: A faculty member who receives less than a “Satisfactory” evaluation and disagrees with the factual contents of the Faculty Evaluation Performance Review form, or, who claims the Administrator failed to follow evaluation procedures, shall have the right to file a grievance as outlined in Article 16 of this Agreement. If the grievance relates to the factual content of the evaluation, the administration shall demonstrate that the factual content of the evaluation is correct. Such a grievance shall not be arbitrable.

B. Student Opinion Surveys: Students shall complete a student opinion survey questionnaire for instructional faculty members each fall and spring term on the Student Opinion Survey of Full-Time Faculty (See Appendix M), or on any mutually agreed upon replacement questionnaire, at approximately the midpoint of two of the courses taught during the semester.

1. Student opinion surveys shall be completed in at least two sections per term. The instructor may choose one of the sections to conduct the survey. If the faculty member is teaching lecture, laboratory, clinical, or distance learning courses, one of the evaluated courses should be didactic and the other should be either laboratory, clinical, or distance learning.
2. Student surveys should be scheduled for approximately two-thirds to three-fourths of the way through the term.
3. Where feasible, a faculty member other than the course instructor will administer the student surveys of instruction, and the course instructor will not be present during the process. This will be considered a normal faculty duty. The faculty member administering the surveys will remain in the classroom during the process, designate a student to collect the completed surveys, seal them in an envelope, and deliver them to the immediate supervisor's office.
4. The supervising administrator and the faculty member may mutually agree to forego the student surveys in any given semester. The decision will be made not later than the mid-point of the term.
5. This questionnaire is to be utilized by the faculty member for improvements in his performance and in the course. The supervising administrator may elect to review and discuss recent student surveys with the faculty member. The Student Opinion Surveys will be returned to the faculty member after grades are submitted, and no copies will be filed in the faculty member's personnel file, except that copies of the student surveys will be retained for non-tenured faculty members for use in the tenure process. Upon completion of the tenure process, the surveys will be removed and returned to the faculty member.

6. Results of the student surveys may be used by the faculty member's supervising administrator in conducting and preparing the Instructional Faculty Evaluation Performance Review (Appendix B). Items 1 through 16, or any mutually agreed upon revisions of these items, will be considered on the Student Opinion Survey Form currently in use. If a trend in responses suggests a less than "Satisfactory" performance, the supervising administrator conducting the faculty member's evaluation may use such responses under "Other supervising administrator comments" in the evaluation. The supervising administrator may also write positive comments on the Faculty Evaluation Performance Review in the "Other supervising administrator comments" section based on student evaluations.

7. Instructional faculty teaching distance learning courses will be surveyed by students through an online survey instrument. The process used to administer the online survey, gather data, and retain evaluation feedback will follow the same guidelines as set forth in the preceding paragraph. Students will be provided a secure Web-based interface in which to complete surveys anonymously and without replication. This interface will be accessible only to students enrolled in the course at the time of the survey. Faculty will be provided with a report summarizing student responses and feedback for the selected course section(s).

C. Deficiencies: Where appropriate, the Administration will identify any deficiencies and provide suggestions, professional development opportunities, or otherwise assist the faculty member with any necessary correction or remediation. A second or third evaluation of a faculty member will be at the discretion of the faculty member's supervising administrator or at the request of the faculty member and in accordance with the requirements outlined in this Article.

D. In completing the appropriate Faculty Evaluation Performance Review form, the faculty member's supervising administrator shall complete the appropriate sections of the form to ensure the following.

1. The notification of the faculty member if deficiencies exist that require correction,
2. An explanation of any deficiencies as noted and the expected improvement,
3. If deficiencies are noted, the assistance that the Administration will provide to enable the faculty member to improve performance, and
4. The timeframe established to demonstrate improvements.

Section 9.3 – Evaluation of Department Chairs and Program Managers,

A. Department Chairs and Program Managers shall be evaluated annually by both the full-time faculty in the department and the supervising administrator in their role as Department Chair or Program Manager. The purpose of the review is to strengthen the department, assess performance and suggest new strategies for department development.

1. The faculty will use the Faculty Department Chair Evaluation Form in the Appendix and will be focused on teamwork and collegiality.
2. In those programs that have only one full-time faculty member, program adjunct faculty members and the other chairs and/or managers under the supervising administrator may perform the faculty evaluation portion using the same Faculty Department Chair Evaluation Form in the Appendix.
3. Provost evaluation of the Department Chair will be based on goal achievement, performance of duties and participation in department and Campus meetings.

ARTICLE 10: PROFESSIONAL DEVELOPMENT

Section 10.1. – Intent

The parties recognize the desirability of faculty continuing professional development throughout their employment at the College. Minimum professional standards for the maintenance of continuing contract shall be negotiated through the collective bargaining process. The responsibility for meeting these standards rests solely with the individual faculty member.

Section 10.2 – Opportunities

The College agrees to sponsor programs, seminars, and courses that may earn graduate credit or institutional credit during in-service days and other times throughout the year. A. Upon hire, a new faculty member must attend a College Pre-Employment orientation not to exceed two (2) days. When possible, this will be offered prior to the first in-service day of the

academic term. Participation in this orientation is not counted towards the faculty development requirement below. If the new faculty member is unable to attend the scheduled orientation, the supervising administrator must work with the faculty member to provide the academic information covered at the orientation, and the faculty member must reschedule the human resources portion of the orientation.

B. Beginning in 2010, faculty members on an annual contract must complete the faculty development program prior to award of tenure in the following manner:

1. The Tenure-Promotion Committee shall develop a new faculty member professional development program for use beginning in Fall, 2010.
2. The professional development program shall incorporate the following:
 - a. New Faculty Mentoring Program

However, this shall not preclude the use of the grievance procedure to determine whether the process and procedures were followed.

F. All continuing contracts issued shall be based on satisfactory service performed in a full time faculty position and shall be subject to all other requirements and provisions imposed by law or regulation.

G. The parties recognize and subscribe to the appropriate policy of the Board of Trustees Policy Governance Manual and to the supporting section of the College Operational Procedures Manual as the basic policy and procedure for administration of maintenance of continuing contract as it pertains to unit members. However, in the event a conflict occurs, this agreement shall be the controlling document.

Section 11.2 – Maintenance of Continuing Contract

A. The parties recognize the desirability of faculty continuing professional development throughout their employment at the College. Although the College and UFF-Brevard shall jointly set the minimum professional standards for the maintenance of continuing contract, the responsibility for meeting these standards rests solely with the individual faculty member. The College agrees to sponsor programs, seminars, and courses that earn graduate credit or institutional credit. As described in the appropriate Board Policy and Operational Procedure, both course credit hours and non-credit units or a combination of the two may be used to satisfy this requirement.

B. The maintenance of continuing contract period is a six (6)-year or three (3)-year period as provided in Article 10 – Professional Development..

F. The College supports efforts by faculty members to complete advanced degrees and participate in academic activities such as conferences. The granting of professional leave, when requested in advance by faculty members to take examinations, defend dissertations, or make presentations, will not be unreasonably denied.

Section 11.3 – Promotion

A. The highest degree earned by a faculty member shall be one of the criteria used for determination of both placement in the salary schedule (pursuant to Article 14) and professional rank (or title, pursuant to Article 11.3).

B. After initial placement in the salary schedule, faculty members who attain additional college credit and/or degrees may apply for promotion in pay grade/category as reflected in Appendix D – Minimum Salary Schedule. With the exception of persons who have a child in common, the family or household members must be currently residing in or have in the past resided in the same single dwelling unit.

C. Except in cases of imminent danger to the health or safety of the employee or family or household member, the employee should give as much advance notice as is possible, no later than the end of the first day that the employee takes such leave.

D. All requests and documentation relating to domestic violence leave will be kept confidential and will not be included in the employee's personnel file. The employee should contact the Human Resources Office for guidance and provide verification documentation which may include copies of restraining orders, police reports, orders to appear in court, etc.

Section 12.6 – Emergency Leave

The Campus Provost may also release campus students and employees in the event of a localized emergency, such as power failure.

This released time is not charged against an employee's leave time. The President, or his designee, may establish policies and procedures to implement release of employees for a College or Campus emergency.

Section 12.7 – Family Medical Leave Act (FMLA)

A. The faculty member's and the College's and Board's rights and obligations under the Family Medical Leave Act will be determined by statute, applicable regulations, and court interpretations under the Act except that the College may establish, through administrative procedure, benefits greater than those available under such statute, regulation, or court interpretation. In the event the Act requires a benefit greater than the benefits provided under this contract, the Act will apply. The administrative procedure applicable to faculty members will be the same as the procedure applicable to all other employees.

Section 12.8 – Line-of-Duty Leave

A. The President or appropriate administrator may authorize an employee to be temporarily absent from regular duties and/or home campus for the purpose of representing the College or performing services for the College.

The employee must submit a written request form with reason for leave and attach detailed information, such as hotel occupancy, travel method, meals, etc.

Section 12.9 – Military Leave

A. The President, or his designee, may establish policies and procedures to provide military leave for faculty members conforming to the Uniformed Services Employment and Reemployment Rights Act (USERRA). However, the College may provide benefits greater than those required under the act.

B. Reserve Duty. Leave with pay for an employee on military leave is limited to a period not to exceed 17 working days in any one calendar year.

C. Active Duty. The active military service period begins with the date of entrance and terminates with death or a date that is 30 days immediately succeeding the date of release or discharge from active military service, whichever shall occur first.

Employees who are ordered to active duty will be granted a Leave of Absence from their respective office and duties and will receive the following benefits per active duty assignment:

1. Full pay for the first 17 days;
2. Individuals performing military duty of more than 30 days may elect to continue employer sponsored health care for up to 24 months; however, they may be required to

pay up to 102 percent of the full premium. For military service of less than 31 days, health care coverage is provided as if the service member had remained employed.

3. Entitlement to the same rights and privileges as an employee granted other types of leaves of absences;

4. All unused leave benefits will be retained by employees and balances will be credited to their records upon return to their positions;

D. Leave Accrual. Vacation and sick days do not accrue, but the time served on active duty does count toward determining an employee's earning rate upon return from active duty. Military leave does count toward time accrual for service awards.

Full-time faculty members who enter active military service with approval to be reinstated at the College will be considered to be on Military Leave and the salary of an employee returning from Military Leave will not reflect an absence from the College.

If, due to medical or disability status, military-related use of FMLA is required, refer to the appropriate procedures.

Section 12.10 – Personal Leave With Pay

A. Eligibility. A full-time employee is entitled to four (4) days of "personal leave" during each fiscal year for personal or emergency reasons. The Personal Leave balance that is reset for each full-time employee at the beginning of each fiscal year will be charged to the employee's unused sick leave and will not accumulate from year to year.

B. Submission. Requests for personal leave by full-time faculty must be submitted for supervisor approval on the appropriate leave request form prior to the date of the requested leave. Except in cases of unusual circumstances, the immediate supervisor will approve the request.

Section 12.11 – Personal Leave Without Pay

A. Eligibility. Full-time faculty members (who have been employed in a regular position consecutively for at least one year) may request approval from the appropriate administrator for a maximum of 90 days of personal leave without pay for the purposes of:

- personal development
- improving work skills
- emergency situations
- personal leave without pay for longer durations may be granted by the President for illness or for special circumstances

B. Limitations. A faculty member granted personal leave without pay for a period up to one (1) semester shall retain his/her same position on the same campus. When an employee is granted personal leave without pay, for more than one (1) semester, there is no guarantee that, upon termination of the leave, the employee will return to the same College location or position.

Requests for personal leave without pay over 30 days must be approved either by the appropriate Vice President or by the President.

C. Leave Accrual. Extended personal leave without pay does not count toward accumulation of service time for FRS, service awards, or sick and vacation leave accruals. It does count, however, toward time accrual for service awards.

Section 12.12 – Professional Leave With Pay

A. General Guidelines. Professional leave requests will be considered for a maximum of one year at a time when the requesting employee has been satisfactorily employed consecutively for at least one year. Professional leave (with or without pay) is defined as leave granted to a faculty member, administrator, or staff employee in order to engage in educational activities which will result in a benefit to the employee, and incidentally, to the institution.

Justification for the leave should be included on the supporting leave request form.

Appropriate activities for professional leave might include:

- Graduate study in field of specialty;
- Attendance at workshops, seminars in specialty field;
- Study to expand scope of professional areas;
- Other professionally enriching experiences.

When an employee is granted professional leave for up to one (1) year, the employee shall be returned to their same position on the same campus.

The President, or designee, may establish procedures for professional leave.

B. Short-Term Professional Leave with Pay. Short-term summer professional leave with pay may be granted to College personnel when such leave will enhance their educational effectiveness, improve College programs, or generally support the best interest of the College. Types of learning experiences which may be considered for approval under this program include attending colleges, universities, private and industry-related technological schools; participating in "on-the-job" training opportunities in government agencies or industry; or other academic research, course development, and publications. Funding will be for salary only.

Eligibility. Employees with three years continuous full-time satisfactory service at Brevard Community College may request a short-term summer professional leave with pay for up to eight weeks.

C. Extended Professional Leave with Pay. Extended professional leave with pay may be granted to an employee when such leave will enhance the employee's educational effectiveness, improve College programs, or generally support the best interest of the College or its educational programs.

Eligibility. Employees with three continuous years of satisfactory, full-time service at BCC are eligible for extended professional leave for a fall and/or spring term, for one year, or for up to two summer terms.

Institutional Commitment. Employees who are granted professional leave with pay will be required to sign the Extended Professional Leave with Pay Agreement Form committing service to the College in a faculty or administrative position immediately following the end of the leave and for a length of term equal to the leave granted, and stipulating that failure to honor the service commitment will result in employee liability to the College for the total (or a proportional) amount (salary and benefits cost) of the grant.

Reimbursement Computation. Leave with pay may be granted for up to one year at not more than 66.6% of full pay, or for one semester or up to two summer terms at full pay. The Office of Human Resources will compute the amount of salary to be paid to any grantee.

Section 12.13 – Sick Leave

A. Accrual of Hours. All full-time faculty members will accumulate sick leave at the rate of eight (8) hours per month (or major fraction of a month) of employment. There is no maximum number of unused sick days that an employee may accumulate.

Accrual for sick leave does not change; it is always 8 hours per month regardless of the number of years worked at BCC or other related institutions.

Employees on sick leave are required to stay in contact with their supervisor for weekly or daily status reporting, whichever is requested by the supervisor. A full-time employee will be granted available sick leave from the College if unable to perform assigned duties due to:

1. Personal sickness or disability;
2. Illness or death of any member of the employee's or spouse's immediate family, household, or other close relative (to include spouse, daughter, son, parents, sister, brother, grandparents, aunts, uncles). Supervisors may require a note from the funeral director to validate attendance at a funeral.

B. Transfer Sick Leave to BCC. When a full-time employee has accumulated sick leave at any other institutions, it may be transferred to BCC pursuant to College policy:

C. Reinstatement of Sick Leave. Previous sick leave balances may be re-instated for employees who return to employment with BCC.

D. Unused Sick Leave. Unused sick leave may not be transferred from one employee to another. Unless covered by another contract, full-time employees may be eligible for payment of some or all unused sick leave based on the following set of rules.

The President, or designee, may establish procedures for sick leave use which shall be the same for faculty as for other employees.

The President, or designee, shall establish policies and/or procedures for an employee sick leave pool which shall be the same for faculty as for other employees.

Section 12.14 – Vacation Leave

Full-time faculty members normally do not earn vacation leave. However, a faculty member assigned to a Twelve-Month contract, or on administrative leave to accept an administrative contract shall earn vacation leave.

The President, or his designee, shall establish policies and/or procedures for vacation leave which shall be the same for faculty as for other employees.

Section 12.15 – Workers’ Compensation Leave

A. Eligibility. All College employees are entitled to compensation for occupationally-incurred illnesses and injuries. Each employee is entitled to a maximum of 12 days of workers’ compensation leave at full pay per calendar year when an injury or illness is due to a job-related activity. These leave days are non-cumulative and will be granted at full pay, provided that: The Office of Human Resources is notified of the situation within two business days after the injury or illness is sustained;

A "First Report of Injury" form (including a physician's statement describing the impact of the injury on the employee's ability to work) is submitted to the Office of Human Resources within two business days after the beginning of the impairment.

B. The President, or his designee, shall establish policies and/or procedures for worker’s compensation which shall be the same for faculty as for other employees.

Section 12.16 – Terminal Pay

A. Terminal payment of unused sick leave will be paid to unit members or their beneficiaries who meet any of the following criteria:

1. Become deceased while a full-time employee of Brevard Community College.
2. Be on continuing contract and are released per Article 16.
3. Be employed full-time at Brevard Community College for at least 6 years, and officially complete the Florida Retirement System (FRS) requirements for retirement including cashing the first FRS check or accepting the first electronic FRS retirement transfer.

B. Terminal pay will be calculated by multiplying the daily rate of the then-current base contract times the number of days of accumulated unused sick leave times the percentages as determined below:

| Number of completed years of service | percentage |
|--------------------------------------|------------|
| 0 - 3 | 35% |
| 4 - 6 | 40% |
| 7 - 9 | 45% |

| | | |
|----|-----------|----|
| 10 | | |
| 11 | - | 30 |
| 31 | and above | |

50% plus 2.5% for each full year of service over 10

As if 30 years of service

C. If a unit member receives terminal pay benefits based on unused sick leave as specified in this article, all remaining accumulated sick leave shall become invalid.

ARTICLE 13: BENEFITS

Section 13.1 – Insurance

The College recognizes a responsibility to assist unit members to deal with the costs of health care.

A. The College agrees to provide standard medical and dental plans and to pay the cost of a standard premium for such plans for the unit member

B. The College will extend to unit members the same insurance, flexible benefits plan, and other medical plans that are made available to non-unit members at the same cost. The President or his designee may establish policies and procedures regarding insurance options, dependent coverages, and retiree eligibility.

C. Recognizing the importance of a cooperative effort in the implementation and review of college insurance policies, the College agrees to continue the College-wide Insurance Committee. At least one-third (1/3) of the committee members (all members must be full-time college employees) will be members of the bargaining unit selected by UFF-BCC. The committee will meet as often as necessary, but at least annually, to expeditiously carry out its duties.

D. The College also agrees to provide access to various other insurance as may be recommended by the Insurance Committee including, but not limited to, life, short-term disability, long-term disability, cancer/catastrophic illness, and others which may be at the employee's expense.

Section 13.2 – Life Insurance

Each full-time employee shall receive College-paid term life insurance payable to the designated beneficiary(ies) in an amount equal to the employee's annual salary, rounded to the nearest thousand dollars. Additional life insurance (equal to two or three times the annual salary) may be purchased for a modest premium, payable through payroll deduction. It is the responsibility of the full-time employee to advise the Human Resources Office of any change in the status of dependents covered by life insurance through the College.

Section 13.3 – Retirement

All employees in full-time faculty positions hold membership in one of the classes of the Florida Retirement System (FRS) and in the federal Social Security system. Those who are

contemplating retirement should discuss their individual situations with the Human Resources staff approximately six months prior to their projected date of retirement. The Human Resources staff will provide employees with the proper paperwork to process the request for retirement.

For either information or assistance in planning retirement, refer to the Florida Retirement System website at www.myfrs.com. Social Security information on retirement can be found at the website for that office, www.ssa.gov.

Other Retirement Pay. At the faculty member's discretion, payment of unused sick leave may be made in a lump sum payment or may be sent to the faculty member's deferred compensation plan. Employees may choose to receive a vacation leave lump sum payment or to have either a portion of or all of the funds sent to their deferred compensation plan for investment.

Section 13.4 – Workers' Compensation Insurance

A. All College employees are covered by the Florida Workers' Compensation Law.

B. On-the-job accidents, injuries, or occupationally-incurred illnesses must be reported immediately to the employee's supervisor. Even if the employee is involved in an accident but decides that there is no injury, the employee is still required to report the accident to the supervisor.

The supervisor is responsible for reporting all details to the Human Resources Office within two working days. An Accident/Incident Report must be submitted for all accidents. The Security Office is not responsible for completing the report, but should be notified so the Security staff can offer assistance in handling the case. The report forms may be obtained from the Human Resources Office.

C. The Accident/Incident Report (including a physician's statement describing the ailment and verifying the disability) is submitted to the Human Resources Office within two working days from the accident/injury or from the beginning of the work-related illness.

D. Each employee is entitled to a maximum of twelve (12) days of workers' compensation leave per calendar year when an injury or illness is due to a job-related activity. These leave days are noncumulative and will be granted at full pay. The employee will also be allowed to draw time from his/her vacation leave and available sick leave or up to the four days of personal leave in order to receive a full paycheck.

Pursuant to Article 6.11 of this agreement, the College shall maintain a Tuition Reimbursement Program for full-time faculty.

Section 13.6 – Dependent's Tuition Work Program

The College shall maintain in effect a Dependent's Tuition Work Program (DTWP). The President, or designee, may establish policies and procedures for the DTWP.

Section 13.7 – Fee Waivers

In the event that the College provides for waiver or reduction of tuition and fees for College employees or their dependents to attend Brevard Community College courses, these provisions will apply to unit members and their dependents on the same basis as other categories of employees.

Section 13.8 – Employee Emergency Assistance Fund

The College shall maintain in effect the Employee Emergency Assistance Fund (EEAF) available at the effective date of this agreement. The President, or designee, may establish policies and procedures for the EEAF.

Section 13.9 – Salary Checks

A. Upon request, the College will endeavor to mail salary checks to the faculty member's bank or home. If no such request is made, salary checks will be sent to the faculty member's campus. The faculty member shall receive his annual contract pay in equal biweekly installments, beginning with the pay period/pay date immediately following the last pay period of the previous contract year, or at the faculty member's option, he may elect to receive his annual contract pay in equal biweekly installments beginning with the pay period/pay date immediately following the last pay period of the previous contract year and ending with the pay period immediately following the end of the Spring Term. Such election shall be made by submitting to his supervisor the Faculty Pay Option form (Appendix E) no later than the first day of the Fall Term each year.

B. Absent an emergency, overload compensation for major terms shall be paid beginning no later than with the paycheck for the third full pay period in the Term, and will be paid in equal installments thereafter. Adjunct/Overload compensation for the Summer will begin as soon as reasonably possible and be paid in equal installments of not less than two (2) installments.

C. In the event of an error by the College resulting in under-payment to the faculty member of \$250 or greater, a supplemental check shall be generated and provided to the faculty member not more than three (3) business days after written notification to Human Resources.

D. In the event of an error resulting in under-payment to the faculty member of less than \$250, pay shall be corrected no later than the next regular payroll after written notification to Human Resources.

ARTICLE 14: SALARIES AND COMPENSATION

Section 14.1 – The intent of this section is to establish salaries for a uniform 165-day maximum annual base contract for faculty members. Certain faculty whose positions require summer or other extended work-year shall receive daily-rate of pay for the additional days in excess of 165. The parties agree to establish salaries for all returning unit members employed as of August 1, 2009 for the 2009-2010 academic year as described in this section.

A. For all faculty members. The 2008-2009, 178-day annual base salary shall be determined in order to calculate the new 2009-2010 annual base salary.

1. This shall be done by dividing the 2008-2009 annual salary paid by the number of contract days (for example 208, 202, 188, etc) to determine the 2008-2009 daily-rate of pay. Multiplying this 2008-2009 daily-rate by 178 shall establish the 2008-09 Annual Base Salary. Salaries for 2009-2010 shall be determined from these 2008-09 annual and daily rates.
2. The 2008-09 Annual Base Salary then shall be divided by 165 to determine the 2009-2010 daily-rate of pay.
3. The 2009-2010 daily rate of pay may also be calculated by multiplying the 2008-2009 daily-rate of pay by a conversion factor of 1.0788.
4. The 2009-2010 Annual Base Salary shall be calculated by multiplying the 2009-2010 daily-rate of pay by 165.

B. To calculate salaries for standard length contracts:

1. Instructional faculty members working a standard academic year shall receive a Basic Academic-Year Contract for 2009-2010 with an annual base salary determined as stated in Section 1, A, above.

C. To calculate salaries for contracts in excess of the standard academic year:

1. Instructional faculty members in certain programs such as health sciences, nursing, and certain other disciplines that require a longer contract length because the faculty member must teach in the summer or because the faculty member must serve as a department chairperson, program manager, or program coordinator, shall receive an Extended Year Contract of appropriate length in excess of 165 days. The annual salary shall be calculated by multiplying the daily-rate of pay by the actual number of days contracted.
2. Library and counseling faculty members shall receive an Extended Year Contract of 189 days, or more, as necessary to meet the departmental needs. The annual salary shall be calculated by multiplying the daily-rate of pay by the actual number of days contracted.
3. Counseling faculty members shall receive a Basic Academic-Year or Extended Year Contract of 165 days, or more, as necessary to meet the departmental needs. The annual salary shall be calculated by multiplying the daily-rate of pay by the actual number of days contracted.

D. All new faculty hired for the 2009-2010 academic year will start with an annual salary as identified in Appendix D.

E. Unit members achieving an advance in education category and who request a promotion in salary/pay grade pursuant to Article 11.3 shall receive an increase in base salary based on the difference between the current educational category and the new educational category as provided below. This will be applied to the faculty member's base annual salary prior to calculation daily rate of pay or any applicable Extended-Year Contract.

1. Promotion to Baccalaureate level: \$1,000
2. Promotion from Baccalaureate to Masters' Degree: \$1,250

Official transcripts must be furnished to the Executive Director of Human Resources by October 1 of the contract year. If a unit member has achieved an advance in educational category prior to the start of the contract year, but furnishes the official transcripts after October 1 of the contract year, the appropriate increase will be applied to the base salary as of the date submitted, but will be non-retroactive.

Section 14.2 – Each contract year, the contract period for faculty will be defined by start of the academic calendar plus 364 days adjusted to include required in-service days prior to the start of classes.

Section 14.3 – Except as provided herein, new faculty members will be placed on the Faculty Minimum Salary Schedule (Appendix D) in effect at the time of hiring, at the salary appropriate for their years experience and educational category. The College retains the right to make reasonable deviations from the Schedule under special circumstances such as hiring or retaining hard-to-fill positions or in cases where specialized credentials or experience merit such consideration. The UFF-BCC President or designee shall be consulted prior to implementation of any such deviation involving existing faculty. "Consulted" as used in this section means to confer and, upon request of either party, meet in person (provided the UFF-BCC President or designee is available to meet on an expedited basis if necessary), but does not require agreement. However, the College President may not exceed the stated minimum salary by more than ten (10) percent.

Section 14.4 – An applicant recommended for a bargaining unit position will receive a contract, conditional on Board approval, stating the starting annual salary and the base contract type and length (in days). Starting salary will comply with the Guidelines for Faculty Starting Salaries (Appendix D). Salary will be conditional on the Human Resources Office receiving verification of the applicant's credentials (college transcripts, work experience, etc.)

Newly hired unit members who desire credit toward a more advanced educational category classification for previously completed course work must submit the appropriate documentation to the Human Resources Office within 60 days after the first day of employment.

Section 14.5 – Unit members recommended for supplemental contracts or overload instruction shall receive a contract stating the rate of pay and the total pay as detailed in this Article.

The recommendation form will be provided within 30 days after the work commences. In the event that the monetary recommendation is materially changed prior to submission to the Board of Trustees, the affected unit member will be promptly notified, and upon request shall be relieved from the assignment. The unit member shall be paid for services rendered up to that point. This section does not apply to Staff and Program Development contracts, or to independent contractor agreements for special projects.

Section 14.6 – The Board agrees to pay the appropriate monetary supplement to any unit member who performs additional duties as indicated.

A. No unit member will be paid any compensation except what is established in this contract or its appendices, providing that compensation is established in this contract or appendices.

B. Full-time faculty used as substitutes will be paid \$25.00 per contact hour.

C. Overload courses will be paid per point according to the following rates based on educational degree:

1. Doctoral Degree, \$62.50;
2. Specialist, Masters +30, or Masters +60, \$57.50;
3. Masters Degree, \$55.00; or Baccalaureate Degree, \$50.00.

D. Supplemental Instruction-Related Duties: The President is authorized to employ personnel on appropriate employment contracts in order to perform instruction-related duties. When employing personnel in this manner, the President will be responsible for determining the appropriate salary to be paid for the work performed. The College will pay the following amounts for the duties indicated. In the case of a range specification, the determining factors will include qualifications, experience, and time devoted to the duties:

1. Co-op Student supervision: \$25.00 per student per semester hour.

2. CAEL (assessment of prior learning): \$31.00 for each course review.

3. Credit by Exam: \$29.00 per student per exam administered.

4. Department Chairperson (DC) compensation: The DC will be scheduled for a 35-hour work week and will be required to work an additional 5 days beyond the number required by his/her base contract and will receive six (6) credit hours (one-fifth of minimum annual load) release time plus a \$10,000 annual supplement payable \$5,000 per major semester. The DC will receive his/her daily rate for each of the extra days worked beyond the number required by his/her base contract. A DC may teach overloads and receive payment for additional supplements subject to his/her supervisor's approval. A Department Chair is eligible for compensation for developing and/or facilitating an S & PD workshop, contingent upon S & PD funding availability.

5. Program Manager (PM) compensation: The PM will be scheduled for a 35-hour work week and will be required to work additional days beyond the number required by his/her base contract as necessitated by the specific program and accreditation needs and will receive six (6) credit hours (one-fifth of minimum annual load) release time plus a \$7,000 annual supplement payable \$3,500 per major semester. The PM will receive his/her daily rate for each of the extra days worked beyond the number required by his/her base contract. A PM may teach overloads and receive payment for additional supplements subject to his/her supervisor's approval. A Program Manager is eligible for compensation for developing and/or facilitating an S & PD workshop, contingent upon S & PD funding availability.

E. Unit members may be appointed as Program/Curriculum Coordinators in the following categories:

1. Curriculum Coordinator – Annual payment of \$500 for the first year of service, \$1,000 for the second year of service, and \$1,500 for the third and all subsequent years of service.
2. Program Coordinator II – Annual payment of \$1,500 for the first year of service, \$2,000 for the second year of service, and \$2,500 for the third and all subsequent years of service.

The duties of each level of coordinator will be listed on a job description maintained in the Human Resources Office and the Faculty Handbook. Coordinator positions will be opened and advertised internally using College communication media. The Coordinators are appointed at the sole discretion of the administration, and serve for a period of one year. A Coordinator may be reappointed to the same position or another Coordinator position within his/her discipline in consecutive years. The administration may appoint a temporary Coordinator to complete the duties of an individual unable to fulfill the term appointment. Any paid leave approved by the College will not be considered a break in service and therefore will have no impact on curriculum coordinator and program coordinator compensation levels.

F. Annual Payment for Coaching and Coordinating Duties. The College and the Union shall mutually negotiate annual payments for coaching and coordinating duties that may be assigned to members of the bargaining unit.

Faculty members who perform such duties for the 2009-2010 academic year shall be compensated at the levels below:

The parties agree to expand current non-monetary and supplemental monetary recognition programs to include enhancements to the base salaries of deserving unit members.

B. There shall be an Academic Discipline Peer Award (ADPA) commencing in academic year 2007-2008. There shall be “Discipline Cluster” Academic Discipline Peer Awards (ADPA) in the amount of \$1,250 each. Section 14.8 – Promotion in Rank (Title)

A faculty member who meets the requirements for a promotion in rank (title) as provided in Article 11.4 based upon either an increase in years of service or additional education shall receive a one-time stipend of \$1,000.00.

ARTICLE 15: LAYOFF AND RECALL

Section 15.1 – Layoff

A. Prior to any general reduction of the number (layoff) of employees in the bargaining unit arising out of economic or operational considerations, the reduction shall be subject to discussion

between the UFF-BCC and the College. The College will notify the UFF-BCC not less than six (6) months prior to anticipated layoff dates. During the period following the notice to the UFF-BCC of the intent to reduce force, the College agrees to meet at reasonable times and places for such discussion. The notice period may be reduced in the case of unusual or unforeseen circumstances giving rise to a reduction in force and making the above notice not feasible.

B. Based on the nature of the cause for reduction, the College will determine the number and types of faculty positions to be reduced.

C. Once the number and types of positions to be reduced is determined, the College may transfer faculty between campuses to avoid releasing faculty from employment.

D. No continuing contract faculty member shall be released until all annual contract faculty serving in the discipline, or any discipline in which tenured faculty are credentialed and qualified to teach, have been considered for release from employment. The decision of the College on which faculty members to release shall not be subject to public hearings under Florida Statutes.

E. All unit members credentialed and qualified to teach within an affected academic discipline or vocational/technical program will be assigned RIF points for use only within that academic discipline or vocational/technical program to assist in selecting the unit member(s) to be released from employment. The point total accrued by each member will be considered by the College in making its selection, with the unit member with the lowest point total being the most vulnerable to release. Should the College select a unit member for release who has a higher point total than that of a unit member in the same discipline or program who is not being released, the College will state reasons for its selection in writing furnished to the released unit member and the UFF/BCC.

1. An employee selected for release due to reduction in force will be given at least 120 days notice prior to the effective date of release.
2. RIF points will be assigned as follows:
 - a. holding continuing contract, 3 points
 - b. each year of full-time employment as faculty in the affected academic discipline or vocational/technical program, ½ point up to maximum of 10 points
 - c. completion of requirements for maintaining continuing contract (Article 11), 1 point for each 3-year period
 - d. academic preparation

| | |
|--------------------------|----------|
| Doctorate | 6 points |
| Master's +60 | 5 points |
| Master's +30 | 4 points |
| Master's | 3 points |
| Bachelor's or equivalent | 2 point |
| Less than Bachelor's | 1 point |
 - e. the last two (2) performance evaluations: one (1) point for each satisfactory evaluation, zero (0) points for each unsatisfactory evaluation.

F. This Article is not deemed to be in conflict with applicable laws or regulations.

Section 15.2 – Recall

Unit members who are released from employment under this Article will for a period of 24 months from the date of release be granted recall preference for reemployment with the College in lieu of a new hire, subject to the following conditions:

1. Recall consideration will apply to any opening in the academic discipline or vocational/technical program for which the unit member is credentialed and qualified to teach.
2. The College shall send email notification of all openings to all unit members subject to recall consideration for a period not less than twenty-four (24) months from the date of layoff. However, it is the responsibility of the unit member to make timely application for any position opening and to ensure that the College is made aware of the member's recall eligibility.
2. If more than one unit member applies for an opening recall, consideration will be based on the RIF points used to make the release, with the member with the highest point total being given preference for selection. Should the College select a unit member other than the one with the highest point total, the College will state the reasons for the selection in writing furnished to the non-selected unit member and UFF/BCC.
3. Unit members who refuse to accept an offer for recall under this section will not be eligible for further consideration under this section.

ARTICLE 16: GRIEVANCE and ARBITRATION

Section 16.1 – Grievances

The parties agree that prompt and just settlement of grievances is of mutual concern and interest and encourage the informal resolution of grievances whenever possible. The purpose of this procedure is to promote prompt and efficient resolution of grievances at the point of origin. In order to achieve this, the Union and the Administration shall make available to one another all known relevant facts so as to enable the parties to resolve grievances and maintain harmony within the College environment. This procedure shall be the sole and exclusive method for resolving grievances.

A. Definitions as used herein:

1. A "grievance" shall mean a dispute filed on the appropriate grievance form (Appendix B) concerning the interpretation or application of a specific term or provision of the Collective Bargaining Agreement, subject to those exclusions appearing in other articles of the agreement. Oral complaints are not grievances; however, any claim by an employee, group of employees, or the UFF/BCC that there has been a violation, misinterpretation, or misapplication of some specific provision of this agreement, policy,

procedure, or handbook which has been incorporated into this agreement by reference, may bring oral complaints or suggestions relating to such provision to the attention of the College for discussion on an informational basis.

2. "Grievant" shall mean a member of the bargaining unit, or group of members of the bargaining unit, or the UFF Chapter itself, who has/have filed a grievance in a dispute over a provision of the Collective Bargaining Agreement, policy, procedure, or handbook incorporated into this agreement by reference.

3. "Representative" or "Grievance Representative" shall mean an individual designated in writing by the grievant to represent, and act for and/or on behalf of, the grievant throughout the grievance procedure.

a. The representative shall have the authority to file the grievance, submit documents, speak for the grievant, and communicate with the administration on behalf of the grievant.

b. The grievant may change the designated representative upon written notice to the administration and to the UFF-BCC.

B. UFF-BCC shall have the right to file and pursue grievances on behalf of individual employees who personally sign the grievance document or who provide written authorization for UFF-BCC to represent them in such proceedings. UFF-BCC shall also have the right to file and pursue grievances on behalf of itself as grievant.. In the case of UFF-BCC grievances on behalf of itself, Steps I and II in section G of this article shall be combined into a single step and the grievance document shall be initially filed at Step 2 within the prescribed time limit (21 college business days). All other requirements of this article shall be in force. There shall be no combining of UFF-BCC grievances and faculty grievances in a single grievance document.

C. Where several faculty members have essentially the same grievance, the parties may consolidate the grievances. When consolidated one grievance form shall be presented bearing the signatures of each of the individual grievants. Such a grievance shall otherwise be processed as any individual grievance would with the exception that there are multiple grievants.

D. Where a group of faculty members may be defined by common interests, duties, or responsibilities, the union may file one grievance on behalf of the entire class. The union shall be considered the grievant in such a "class action" grievance.

1. A class action grievance will:

a. Identify the class uniquely and with particularity,

b. Identify the specific nature of the grievance of the class,

c. Contain a complete statement of the grievance and facts upon which it is based,

- d. Contain a specific statement regarding the remedy or correction requested, and
- e. Identify the section or sections of the Agreement alleged to have been violated,
- f. Contain two or more names of the aggrieved employees.

2. Where a “class action” grievance alleges violations outside one department or unit, the grievance may be filed directly at Step II.

E. The right of the individual faculty member to present and pursue grievances under this article, without representation by the UFF-BCC, is preserved inviolate, subject only to such limitations as may be contained in Florida Statutes. UFF-BCC has the right to observe, but not to participate in, such proceedings. However, nothing in this section shall prevent the UFF-BCC from providing input into the process as necessary to assure that the provisions of this agreement are followed. The UFF-BCC will be notified in advance of such occurrences with notification given to the UFF-BCC president and grievance chair, if any, within twenty-four (24) hours of the filing of such a grievance.

F. The time limits set forth in this article are of the essence and must be strictly complied with unless extended by mutual agreement of the parties. A grievant's failure to comply shall mean that the grievance stands abandoned. The College's failure to answer a grievance within the time provided shall mean that the grievance is denied. In order to be eligible for processing, a grievance must be timely filed and contain the following:

1. The name of the grievant, whether employee or UFF-BCC.
2. The date on which the event giving rise to the grievance occurred, or the omission giving rise to the grievance occurred.
3. A detailed statement of the facts as to the claimed event or omission.
4. Citation of the particular sections of this Agreement (not articles alone) that the grievant relies on. General citations will not satisfy this requirement and the grievant shall not add new citations after the grievance is filed.
5. A statement of the precise relief sought, which will stand as the outer limit or maximum as to possible relief that can be sought.

G. Grievances, properly and timely filed, shall be processed in accordance with the following procedure. Time limitations specified herein may be extended by agreement of both parties. A grievance filed on behalf of the Union shall be filed within the twenty-one (21) business days as above, but may be filed directly at the Step II level.

1. Step I: Request for Informal Resolution. The parties shall first attempt an informal resolution of grievances.

a. An eligible grievant shall notify his or her immediate supervisor in writing, which may be by e-mail, of their grievance and request for an informal resolution. Such notification shall occur within twenty-one (21) college business days as set out in the College Calendar of the occurrence of the event or omission giving rise to the grievance, or within twenty-one (21) college business days as set out in the College Calendar of the date when the grievant knew or, in the exercise of reasonable diligence, should have become aware of such event or omission, whichever is later.

b. Within ten (10) college business days as set out in the College Calendar of the receipt of the grievance, the immediate administrative supervisor shall meet with the grievant in an effort to resolve the problem.

c. The immediate supervisor will be allowed ten (10) college business days as set out in the College Calendar following the meeting to respond to the grievance in writing. This written answer will consist of a notation on the grievance document and/or a formal statement..

2. Step II: Formal Grievance. If the attempt at an informal resolution does not result in a resolution acceptable to the grievant, the grievant may file the formal grievance document with the appropriate Campus Provost or Vice President, as applicable, at Step II.

a. The document must be filed within ten (10) college business days as set out in the College Calendar of the receipt of the written answer from the immediate supervisor or within ten (10) college business days as set out in the College Calendar after the expiration of the ten (10) day period specified in Step I.

b. Once any grievance document has been properly filed with the Campus Provost or the Vice President, the Campus Provost or the Vice President shall have fifteen (15) College business days as set out in the College Calendar in which to provide a written response to the grievant. The written response may consist of a notation on the grievance document and/or a formal letter of notification.

c. Either the Campus Provost or the Vice President, as applicable, or the grievant, may request a meeting to discuss the grievance. If the grievant desires a meeting, he/she should request it when the grievance document is filed. If such a meeting is held, it should be held within the fifteen (15) day period.

3. Step III. If the disposition of the grievance is unacceptable to the grievant at Step II, the grievant may appeal the Step II decision the grievance document with the President or an individual designated by him to hear grievances at Step III.

a. The decision must be appealed within ten (10) college business days as set out in the College Calendar after the receipt of the written answer from the Campus Provost or the Vice President, or within ten (10) college business days as set out

in the College Calendar after the expiration of the fifteen (15) day period applicable to Step II.

b. The grievant may also request a meeting with the President or his designee to discuss the grievance. Such a meeting will be scheduled within fifteen (15) college business days from the receipt of the grievance at Step III.

c. The President or his designee will be allowed fifteen (15) college business days after the receipt of the grievance at Step III to provide a written disposition of the grievance.

Section 16.2 – Arbitration

A. Only those grievances that have been processed through the grievance procedure in strict compliance with all of its requirements may be taken to arbitration. If the grievant is not satisfied with the disposition of the grievance at Step III or within the fifteen (15) college business day period applicable to Step III, the grievance may be submitted to arbitration. The arbitration process shall be initiated by filing a written request for arbitration with the Executive Director of Human Resources within twenty (20) college business days as set out in the College Calendar after receipt of written disposition at Step III or within twenty (20) college business days as set out in the College Calendar after the expiration of the Step III fifteen (15) day period. A copy of the grievance document must be attached to the request.

1. After a written request for arbitration is properly and timely filed, the grievant and the College, by any representative it may choose, will meet at a mutually convenient time or confer by telephone in an effort to mutually agree on an arbitrator.

2. If an arbitrator cannot be agreed upon, the Federal Mediation and Conciliation Service will be asked to supply a list of seven (7) names from which the parties will alternately strike names until only one remains. The one remaining shall be the arbitrator.

3. Each party shall have the right to reject one list of arbitrators in its entirety, and any subsequent list containing any of the same names.

4. No arbitrator shall have at any time before him more than one grievance involving this Agreement without the mutual consent of the College and the Union.

5. Arbitrability. Issues of arbitrability shall be bifurcated from the substantive issue(s) and, whenever possible, determined by means of a hearing conducted by conference call. The arbitrator shall have ten (10) days from the hearing to render a decision on arbitrability. If the issue is judged to be arbitrable, an arbitrator shall then be selected to hear the substantive issue(s). By mutual consent of the College and the Union, the same arbitrator may preside over both the issue of arbitrability and the substantive issue(s).

6. The identified arbitrator will be notified by FMCS. The arbitration will then proceed in accordance with the reasonable orders and requests of the arbitrator, but subject to the following conditions:

a. Venue. The arbitrator shall hold the hearing in Brevard County, Florida, unless otherwise agreed to by the parties. The hearing shall be scheduled as soon as is practicable.

b. Authority of the Arbitrator. The arbitrator shall not have the power to add to, subtract from, modify, or alter the terms of this agreement. Decisions must be explained upon the request of either party. The arbitrator's decision shall be confined solely to the application and/or interpretation of this Collective Bargaining Agreement and its referenced documents and the precise issue(s) submitted for arbitration. The arbitrator shall refrain from issuing any statements of opinion or conclusions not essential to the determination of the issues submitted.

c. The parties shall have a right to a reasonable time for briefing the case, upon request, and a decision shall be due within thirty (30) days after the date set for filing briefs.

d. Where an administrator has made a judgment involving the exercise of discretion, such as decisions regarding tenure or promotion, the arbitrator shall not substitute the arbitrator's judgment for that of the administrator. Nor shall the arbitrator review such decision except for the purpose of determining whether the decision has violated the Collective Bargaining Agreement. If the arbitrator determines that the Collective Bargaining Agreement has been violated, the arbitrator shall direct the College to take appropriate action.

e. Fees and Expenses. All fees and expenses of the arbitrator shall be divided equally between the parties. Each party shall bear the cost of preparing and presenting its own case. Costs of reports and transcripts (which shall be made available at the request of either party) shall be borne by the requesting party. Cost of meeting rooms, etc., shall be divided equally between the parties.

f. Effect of Decision. The decision or award of the arbitrator shall be final and binding upon the College, the UFF, and the grievant, provided that either party may appeal to an appropriate court of law a decision that was rendered by the arbitrator acting outside of or beyond the arbitrator's jurisdiction, pursuant to Section 682.13, Florida Statutes..

g. The arbitrator shall be empowered to make reasonable orders so that the matter can be expeditiously resolved, but shall accommodate the parties within reason as to hearing dates and continuances where need is shown.

h. Retroactivity. An arbitrator's award may or may not be retroactive as the equities of each case may demand, but in no case shall an award be retroactive to a date earlier than thirty (30) days prior to the date the grievance was initially filed.

7. If a tenured faculty member is suspended, returned to annual contract, or terminated, the faculty member may choose to proceed to arbitration or to appeal the decision under the State Board of Education Rules. The election of that procedure will be deemed an election of remedies and a permanent waiver of the right to appeal the suspension, return to annual contract or termination under this Article. If the tenured faculty member chooses to process the issue of suspension, return to annual contract or termination under Step 5 of this Article, the faculty tenured faculty member's choice will be considered an election of remedies and an appeal cannot be processed under the Florida Administrative Code and Florida Statute Section 120.

ARTICLE 17: DISCIPLINARY ACTIONS AND PROCEDURES

Section 17.1 – Disciplinary Actions

- A. Except as provided in applicable statutes or State Board of Education Rules, discipline of any type shall be based only on a faculty member's duties and responsibilities to the College.
- B. Employees are subject to discipline which shall be timely and for just cause. Disciplinary action shall include the following steps of progressive discipline: warning, reprimand, suspension with or without pay, return to annual contract, and dismissal. If the circumstances warrant, discipline may begin at a higher level than the first step or progress to a higher level than the next sequential step. Other unrelated actions subject to discipline are separate events and disciplinary action will begin at the appropriate level subject to overall work performance.
- C. All discipline, as defined herein, is subject to challenge by the grievance procedure in Article 16 of this Agreement. Anonymous complaints shall not be used as evidence in support of disciplinary actions(s). Time frames given shall be in work days.

Section 17.2 – Disciplinary Procedure

- A. Discipline shall begin at and proceed to the level of discipline appropriate to the action(s) under consideration. Normally, discipline will progress through the steps established below.
 - 1. Oral/Written Warning. A warning notifies a faculty member that work-related performance is below standards established by written policies or common professional practice and that more serious disciplinary action will take place if these standards are not achieved within reasonable time frames. A warning may be oral or written at the discretion of the supervisor. The faculty member shall have the opportunity to provide a written response to a written warning which shall be filed together.
 - 2. Reprimand. If necessary, a written reprimand would be the next step for continued below-standard performance. Warnings and reprimands shall be discussed with the faculty member in person. Documentation of each step in the disciplinary process shall be made by the initiating administrator and acknowledged by the faculty member in accordance with Appendix P of this contract. The faculty member shall have the

opportunity to provide a written response to the reprimand which shall be filed with the reprimand.

3. Suspension. A full-time faculty member may be suspended with pay pending investigation of a possible infraction. If, after investigation, just cause for disciplinary action is determined, upon recommendation of the President, the Board may suspend a faculty member without pay provided that notice of intent has been provided pursuant to Article 17.1, B below.

4. Termination or Return to Annual Contract. Any faculty member who is tenured (under continuing contract) may be dismissed or may be returned to annual contract status for up to another three (3) years only with just cause and when a written recommendation to that effect is submitted by the President to the Board giving sufficient just cause therefore, by the President and provided the President's recommendation is approved by a majority of the Board.

B. Notice of Intent. When the President or representative has reason to believe that a Suspension, termination, or return to annual contract should be imposed, the President or representative shall provide the employee with a written notice of the proposed action and the reasons therefore.

1. Such notice shall be sent certified mail, return receipt requested, or delivered in person with written documentation of receipt obtained.

2. The employee shall be given ten (10) days in which to respond in writing to the President or representative before the proposed action is taken. The President or representative then may issue a notice of disciplinary action under Article 17.1, D below.

3. The employee has a right to union representation during investigatory questioning that may reasonably be expected to result in disciplinary action.

4. If the President or representative does not issue a notice of disciplinary action, the notice of intent shall be retained only in the employee's evaluation file.

C. In the event a suspension, termination, or return to annual contract is recommended, the faculty member shall have the right to an informal hearing before the Board, or its designee, prior to the action.

D. Notice of Discipline. All notices of disciplinary action shall include a statement of the reasons therefore and a statement advising the employee that the action is subject to Article 16 – Grievance and Arbitration of this agreement. All such notices shall be sent certified mail, return receipt requested, or delivered in person to the employee with written documentation of receipt obtained.

E. Nothing in this Article shall be deemed to give any faculty member not on continuing contract status any property interest in his or her employment.

F. During all disciplinary proceedings, a faculty member shall have the right to consult with, and be represented by, a representative of his or her choice.

G. The faculty member shall have the right to respond to disciplinary action in writing and have that response attached to the report of discipline. If any material is found, through mutual agreement, grievance process, or court proceeding, to be inaccurate or inappropriate, that finding shall be documented in the official personnel file of the faculty member and the inaccurate or inappropriate material shall be placed in the personnel file in a sealed envelope. The sealed material shall not be subject to examination or review except by written agreement between the faculty member and the President, as part of a related formal grievance procedure, or as required by law.

ARTICLE 18: MISCELLANEOUS

Section 18.1 – Calendar

A. The College agrees that a committee of representatives of the administration, the faculty, and the staff shall develop the College academic calendar.

1. There shall be an equal number of voting representatives from each of the three constituencies with equal votes with at least three members from each group.
2. A quorum of at least 50% plus one of the committee members must be present to conduct committee business.
3. The committee shall elect the chairperson.
4. The committee shall report to the President of the College.
5. Committee members shall serve staggered three (3) year terms.
 - a. To facilitate staggering of terms, initially one member from each group shall serve a one (1) year term, one member from each group shall serve a two (2) year term, and one member from each group shall serve a three (3) year term.
 - b. Faculty members shall be recommended by the UFF.

B. The calendar shall be developed in sufficient time to be approved not less than two (2) years prior to the first day of the academic year in question.

Section 18.2 – Waivers
